

About Us

In aChord is a small men's vocal ensemble that provides high quality public and private performances in the Jazz/Pop genre, formed in September of 2000, from the vision of a few friends and our founding Artistic Director, Bob Wuertz. The group entertains with unique and innovative musical arrangements, tight harmonies, and light hearted choreography.

In aChord is a non-profit organization with volunteer musicians who support the arts community by exemplifying the highest caliber of vocal performances. Singing anything from boogie-woogie, to bop, to a cappella numbers with a slightly tongue-in-cheek, nostalgic style.

Reaching out to a diverse audience and celebrates a positive image of the gay community, In aChord partners with organizations that share our values and mission.

In aChord is a member of the San Diego Convention and Visitors Bureau, San Diego Performing Arts League and GALA Choruses International. In aChord is a California 501(c)(3) nonprofit corporation and a member of the San Diego Performing Arts League, American Choral Directors Association and GALA (Gay and Lesbian Association) Choruses.

Through our unique and innovative style, we hope to entertain, inspire, enlighten, and educate the entire community. Above all, our purpose is simply to have have fun.
